LONDON, June 9 .- Col. E. M. House, ho has been making a trip through the belligerent countries to advise President Wilson regarding possible peace overtures, is now on his way to Washngton and it is believed here he was requested to do so by the President, who wishes his counsel on the situation in

Colonel got an urgent cable from the President, it is understood here, in which like to see him in Washington soon. Colonel House cabled back that he would SCHEME PUT FORWARD start for New York on the next liner. So late was he in booking his passage TO BUY BIG PLANTS on the St. Paul, which left Saturday. that his name did not appear on the passenger list.

In the President's message to Col. earned from reliable sources House it is understood that he revealed the impending Cabinet crisis, going into are doing their utmost to details of the note to be sent to Ger-
